

## **New England Society of Orthopaedic Technologists**

Dear Potential Corporate Sponsor:

NESOT recently created a website in order to increase awareness of our association and profession. NESOT is committed to the continued education of orthopaedic technologists through our organization. Please feel free to visit us at [nesotcom](http://nesotcom).

At this time we are looking for corporate sponsors to help finance this website and in return your company will be listed on the links page of our site. We are asking for an annual donation of \$50.00 to help defray the cost of the creation and maintenance of website.

Please send your web link address, logo, names of local contacts and contribution made out to: NESOT

Correspondences can be sent to: Dave Cyr 252 Main St. Cumberland, Me. 04021

Thank you for your continued support.

Sincerely,  
NESOT Officers
